- Doubts clearing sessions
- Time management strategies
- Career counselling

#### ABOUT US

With an illustrious 18-year legacy in NEET and JEE coaching, Pradhan Madam's Academy stands as a trailblazer in Chemistry education in Nagpur. Specializing in guidance for 11th, 12th, NEET, and JEE, the academy has been a cornerstone in premedical and pre-engineering entrance exam preparation since its establishment in 2007. PMA has consistently fostered various learning skills and instilled confidence in students, enabling them to comprehend the core concepts of Chemistry, ultimately leading to top positions in NEET and JEE entrance exams.

Since 2020, PMA-Pradhan Madam Academy has extended its expertise to admissions for all four subjects, namely Physics, Chemistry, Biology, and Mathematics, achieving remarkable results in both NEET and JEE entrance exams. At PMA, our approach involves interactive and innovative learning methodologies that not only make the learning experience interesting but also leave a lasting impact on students. We are committed to bridging the gap between academics and competitive exam preparation, thereby boosting students' confidence when facing both examinations.

Creating a conducive and supportive learning environment is a key focus at PMA, motivating students throughout their NEET and JEE preparation journey. With over two decades of expertise in the education sector, our contributions have undeniably played a pivotal role in the institute's achievements. Diligently guiding and mentoring students, we have facilitated their admissions into prestigious engineering and medical colleges and institutions nationwide.

Batches for 2024-2026 will commence from 2nd week of June - 2024
